Project 2

The logo for 'HUGGI' is centered on the page. The word 'HUGGI' is written in a bold, white, sans-serif font. The letter 'G' is stylized with a pink-to-purple gradient and contains a faint image of a baby's face and hands. A small pink heart is positioned above the final 'i'.

HUGGI

A Light that hugs back.

*"What if light could feel like a hug?"*

Design Direction

# Comforting

Providing warmth and  
emotional security

# Warm

A warm and inviting interaction

# Target Users

- People who seek warmth, relaxation, and comfort
- Children afraid of the dark

# Hug

a piece of Warmth

This idea started from a desire to merge light therapy with emotional comfort – to create a light that could be hugged, not just seen.

Warmth to feel..
